“HOTEL ROOMS FOR THE AMERICAN INVASION WEEKEND”

For anyone who has not booked a hotel room yet for the "American Invasion" on the Labor Day long weekend, please note that our blocked off rooms are now at their max with the exception of a couple of single Queen room and a couple of Kings. We are working on negotiating an increase to our allotment. But, there are no guarantees. The next nearest hotel is the Executive Inn a few blocks up the road and they are not cheap.

If you are wanting to stay at the hotel and have not booked your room yet - you need to call the hotel as quickly as possible **604-931-9011** ask to speak to "**Jody McGill**" if she is not in, ask for her voice mail and leave her a message to call you regarding a reservation with the Order of the Amaranth, September 1-4.

We also need everyone that is planning on attending the Invasion activities to complete the pre-registration form located on our GC Website and get it e-mailed or snail mailed in by August 18th. It is very difficult to finalize our events planned when we don't know what you want to participate in.

If you have any problems please contact Pat, Shari or myself so we can try to assist you.

On behalf of the GC Representatives and the American Invasion Committee members,

*Thank
you*
